New Membership NotORIZATION Form

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account (this includes all joint members on the account).

This form must be submitted with applications for membership for persons not applying in person or submitting their application through a Select Employee Group Representative. (excludes online accounts)

Under penalty of perjury, I acknowledge that I am the person listed on the application for membership and that the state-issued photo identification and Social Security card submitted with the application are legal government-issued documents that have been issued to me. (All account owners must sign.)
